Dear Ms Dortch,

On behalf of the Nah Tah Wahsh Public School, I am filing a request for a waiver regarding the late filing of the Form 470 and subsequently Form 471 was also filed late in the E-rate process. We are part of a community IT department which maintains and works with the school to submit all the E-rate forms. This year, unknown to the school, the IT person who does the actual submittal and forms, took another job and the school was not notified that no one was actually doing the forms until it was too late to meet the schedule timelines. We have since resumed doing the actual process and will continue to do so. We are not normally late and will be very diligent in insuring that this does not happen again.

Your consideration in this matter is greatly appreciated. If you have any questions, please contact me at 906-723-2700.

Thank you,

Tom Miller
Superintendent
